Pretty Pussy

Dear Virgin Territory,

I enjoyed seeing Trinity again in the Feb. '17 issue. I've always thought she has a nice pussy, and we got to see plenty of it in her layout. Her lips are just the right size–not too small and not too big. I'd love to bury my tongue and my cock in her slit and her asshole. The photo of her fingering herself on page 83 gives me some very naughty ideas. My cock would feel way better than her finger and fill out her pussyhole much better. Part of what I like about Trinity is how small she is. I like girls who are short at 5' or 5'1". She weighs less than 100 lbs, making it easy to pick her up and fuck her any which way. If you have anymore hardcore sets of her, please don't hold out. I love seeing this petite teen pixie.-D.Z., Raleigh, North Carolina

Dear D.Z.,

We wish we had more hardcore of Trinity, but unfortunately we don't. If you'd like to revisit her hardcore videos

you can see them in After School Slut Club 3 and After School Slut Club 4.

A Flattie Isn't Just A **Flattie**

Dear Virgin Territory,

The variety of the human body never ceases to amaze me, especially when I look at your magazine. Now, I know The Score Group specializes in big boobs, so you are familiar with guys who love big tits. So am I. They tend to be very vocal. What gets to me, though, is that they are dismissive of anything below a C-cup. Below that point, every girl is just a flattie not worth considering. I happen to like all kinds of breasts and body types, but I think these guys are seriously missing out. There are so many different types of small breasts with their own special nuances. Take your Feb. '17 issue for example. Alex has very tiny, almost completely flat boobs with small, round nipples. They suit her skinny body. Sally's are also small, but slightly bigger than Alex's and more pointy and upturned. She also has bigger nipples that stick out. Haley's boobs are perfect teardrops and almost a cuppable handful, but not quite. Kylie's small boobs are round and broad with flat nipples. Lily has the biggest boobs in the issue, and hers are very round and perky. Trinity has perky pointers that although small, have some meat to them. Chloe is almost as flat as Alex but has bigger, pinker areo-

flatties come in all shapes and sizes. It takes a true breast connoisseur to be able to distinguish and appreciate their variety. Thank you for always bringing us such beautiful blooming girls.—K., via email

Dear K.,

We would have to say that Blaire's boobs are round and cuppable with evenly distributed fullness while Kasey has very tiny tits that sit low on her chest and have a slight curve at the bottom.

Cummin' to Chloe

Dear Virgin Territory,

Chloe is one of the hottest girls you've featured in your magazine in the last year or so. The flat chest and blonde bush are really working for her, and that naughty girl pout she makes drives me nuts. Her asshole looks absolutely amazing in the bottom photo of page 93. The guy is stretching her cheeks wide open and filling her pussy with cock, and her back passage, although very tight, is open and puffed out. It looks so ready to be stuffed. Her horny disposition really comes across in her photos. Her facial expressions and body language scream that she loves cock. She is a pleasure to watch. I hope there is more hardcore of her to come so that I can cum.-F.V., Ocala, Florida Dear F.V.,

Chloe is a busy gal so unfortunately we were only able to book her for one day of hardcore. If you'd like to see her in action check out that scene in Flat & Fucked 10.

Chloe Uncensored

Dear Virgin Territory,

I live in the UK and recently started purchasing your magazine from a newsstand. Your Feb. '17 issue is lovely, however I would like to know how I can see the uncensored photos. From what I gather you have other magazines with full-on sex in them. I fancied Chloe quite a bit and would like to be able to see her take on that cock. She reminds me of my best mate's sister from when I was younger. I used to find any excuse to pay him a visit for a chance to chat with her. She was blonde and just as cute, skinny and flat-chested as Chloe. And given that this was decades ago, I'm sure she was sporting a similar bush. Nothing ever did happen between us, but she fueled many sleepless, wank-filled nights for me. Once I even stole a pair of her knickers, but unfortunately they were clean. I had hoped for a worn pair to be able to enjoy her scent. Seeing Chloe really took me back to those days. So anyway, please let me

Don't be fooled by the innocent smile; Sally will squirt on you.

Free to Squirt

Dear Virgin Territory,

It's a shame that you can't show squirting in your magazine. I don't understand why you can show fucking and cum but not a girl squirting or peeing. Hey censors, get over it! If we can see a cock in a pussy or in an asshole I think we should be able to see a girl squirt. Sally squirts like a champ, but your magazine viewers are denied the pleasure of seeing it because of some archaic, puritanistic naysayers. The only way for your readers to get their squirting and pee fix is to buy your videos or become a website member. Speaking of which, I own your peeing movie L'il Pissers. I think you should now make a hardcore movie that has girls who squirt. And of course Sally should star in it. She's so fucking adorable with her

braces and she completely soaks any guys she fucks. We need our squirting fix!–V.C., Yuma, Arizona

Dear V.C.,

You should run for president. We think your platform for uncensored magazine pornography would very strong. Be a leader for the people who love porn! Also, be glad that US censorship guide-

> lines are not as strict as the UK's. See W.B.'s letter. Poor guy can't even see anyone fuck in his version of the magazine.

Lucy's an A Girl

Dear Virgin Territory,

Whatever happened to Lucy Doll? I was so looking forward to seeing her fuck! Let's be honest here, some of your models are A-quality girls. Others are B- and C-quality, which is okay, as not every girl can be a total knockout. Lucy was an A girl. I was sure we would see way more of her because she was so cute. But I haven't seen her in your magazine since. I hope she didn't change her mind and decide not to shoot anymore. If you do happen to have more sets of her, please publish them! I love her and have been waiting for more sets of her for a while.-N.H., Kansas City, Missouri

Dear N.H.,

We do have a hardcore set of Lucy. We'll try to run it as soon as possible!

Where's the Beef?

Dear Virgin Territory,

There are a few girls I have been waiting to see hardcore sets of. Maybe they don't even shoot hardcore. In any case, can you let me know if they will be featured in XXX? The girls I'm talking about are Marissa of Feb. '14, Avalon, Cadey and Cici. Each of these girls has something unique and special about her, so I'd love to see them in raunchy hardcore layouts.—E.F., New Haven, Connecticut

Dear E.F.,

Avalon, Cadey and Cici all have hard-core sets, however, Marissa does not.

Always include your latest

iteen mailing label.

Due to the abundance of hardcore sets, we are not always able to publish them right away. But you can always log on to 18eighteen.com to see all our hardcore photos and videos.

Remembering Trinity

Dear Virgin Territory,

Sometimes there are girls who only appear in your magazine once who leave a lasting impression. Trinity from the March '12 issue is one of those girls. Even though it's been years, I still dream about her. I've searched the internet far and wide to find more of her but have come across very little. If you or any

of your readers can tell me where I **Haley likes** to show people what her O' face

can find more of her I'd greatly appreciate it.-D., via email

Dear D.,

We think Trinity's modeling career was mostly a flash in the pan. We wanted more content of her too but weren't able to track her down.

Haley Lets It All Hang Out

Dear Virgin Territory,

I couldn't stop looking at Haley's pictorial in the Feb. '17 issue. What a beauty with an incredible body! If I looked like her I would be staring in the mirror all day too. I wish I could see her in person just so I could admire her. She looks like she likes to put on a show. I'd gladly watch. As it is, I already jacked three times to her photos. Haley, if you read this, I blew a few massive loads for you.

The glass dildo was a nice touch. I don't much like the plastic dildos, but this big glass one is interesting. The close-up shot of Haley fucking herself with the glass dildo is very erotic. I love how clear and close her butthole is to the camera. Her photos leave nothing to the imagination-just the way it should be.-S.H., Wichita, Kansas

Dear S.H.,

If you like nothing left to the imagination, check out Haley's hardcore pictorial starting on page 54.

ven though Blaire is best in class, she wants to prove to her principal that she's ready for all the antics in college. If she can take a pounding from his huge cock, she can handle anything. She gets in the piledriver position for a proper college send-off. Lily sucks at math, but she's good at giving wet, sloppy blow jobs. She can even suck a cock while being held upside down!

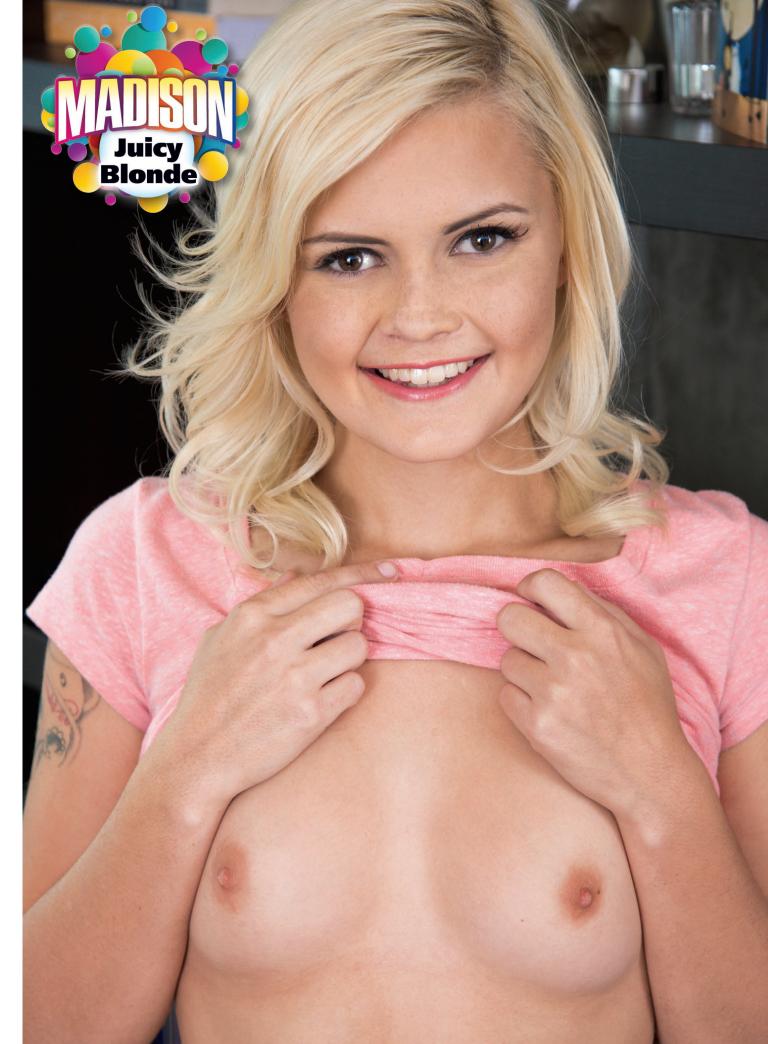

elanie stood with the waistband of her bloomers pulled out, staring at her bush, only one thing on her mind:

To shave, or not to shave?

She couldn't decide. She didn't want to, that much she knew. But, one look at the envelope on the dresser brought back the uncertainty. The folded card sat there, as if mocking her.

It's a Bikini Birthday And You're Invited!

"Damnit, Jan, why couldn't you have just had a pool party?" she groaned. Truth was, though, she already knew the answer. Turning to face her bedroom mirror made her wish she hadn't been invited at all.

A bikini? She sighed, her small breasts producing precisely nothing in the cleavage department. Of course, that wouldn't have occurred to Jan, whose boobs didn't need a bikini to get the boys' heads turning. As did Bonnie and Trish's. Most of her friends, she realized, had enough going when it came to cup size to make a bikini party a no-brainer. Would she be the only girl with training-bra measurements? Maybe not. Still, that wasn't exactly buoying her confidence.

As for her muff...

"What am I gonna do?" she asked the empty room, her voice faltering. This...this was a problem she had no idea how to handle. It wasn't like she could ask her mom, after all. What was she supposed to do, go down to the laundry room and ask, "Mom, I'm thinking about shaving myself down there. Ever shaved your pussy? Got any pointers?"

No, she decided, that wasn't going to happen. Hmnnn...maybe she could just show up in her one-piece? It wasn't like Jan was going to throw her out for not wearing a bikini.

Crud. That wouldn't work, either. Of course, no one was going to say anything, but everyone had been talking about what they were going to wear. And, like an idiot, she'd joined right in. Sure, she had a bikini, but it wasn't like she ever wore it out anywhere. Heck, she didn't even wear it to the beach. The backyard?

That was cool. Out on the sand with guys around? Un-unh. No way.

She peeled off her bloomers and stepped into her bikini bottoms. High cut on the hip, which she liked. She had nice legs and thought the cut made her look at least a little sexy. She had a pretty cute butt, too. Her ass? Probably the best thing she had going for her. The bikini, though, didn't leave a lot to the imagination, she thought, giving her reflection a little wiggle. Yup, no doubt about it. You could see everything. Her ass? Nothing to complain about there.

Her clothes hit the floor in a sweaty pile, the water beating down on her smooth teen skin. Her toes curled as her middle finger went back to work, slipping into her dripping fuckhole.

Squitch...squitch...squitch...

Was it creepy that she'd gotten wet thinking about Bonnie? She hoped not. She'd never really considered fantasizing about other girls when she fingered herself, but...so? So what? It wasn't like she was a lesbo or anything. Just, y'know...maybe a little curious.

Her snatch, though...

She had to figure something out. She'd been checking out her friends in the locker room before gym for the past week, and by the looks of things, most of the girls were doing something downstairs. Almost none of them had the same fluffy patch in their crotch that she did. And in this swimsuit? She was so different from the other girls! Girls like Trish...and Bonnie. Bonnie, now she had a hot ass, too. Her tits weren't the same as Jan's. Not as big and kind of turned up a little. Bigger nips, though, to be sure. She knew, because Bonnie's nipples were always hard after gym. She wondered if anyone else noticed...

Squitch...squitch...squitch...

"God!" she exhaled. "I have got to get off!"

That was it. Mind made up, she grabbed the scissors, pulled her nightshirt back on, and practically ran to the bathroom.

Curious...about pussy.

That did feel a little weird. But not weird enough to slow her down, no way. She was using her middle and index fingers both now, holding herself up with one hand on the wall. One foot resting on the corner where her razor was. She groaned, the orgasm she was so desperate for still eluding her. She extracted her sloppy fingers and leaned on the tile, putting her thumb inside her, grinding her palm hard against her clit.

Oh...oh yeah, that was it. That really got her going. Her snatch was on fire now. Bonnie was topless, grinding her soggy panties against Melanie's fa-

Panties? No. Uh-unh. As Melanie shook in the steam, nibbling her bottom lip, the razor fell from its perch. She pictured Bonnie's box. What it would look like sans panties. Neatly trimmed and...ready.

She whimpered, the goo from her orgasm running down the drain.

Huffing and puffing, she retrieved the razor, still in its case, giving it a closer look.

The handle was tapered, but swelled near the base, so that you

"Oh god. I can't believe I never tried this before!"

She threw back her head, the bulbous shaft spreading her wide, the upper part of the handle rubbing

could grip it easier. Then, it straightened out, the knobby rubber grip giving her an idea.

Nooo, she thought. *You aren't really going to...*

Oh, but she was. She lathered up the handle, wrapping her fingers around the head. It gave her the perfect grip.

She stepped back into the water, working the razor case into her slit like a narrow dildo. The tip entered her effortlessly. The textured part of the handle, though, now that was another story.

against her engorged pink button. "Aww, fuuuuuuuuuuuck!"

The lather made it easy. Melanie banged away as if she'd never had a foreign object up her pussy before. She wished she'd put two and two together months ago. She could've been cumming! The razor's packaging advertised that it was made by women, for women, but only now did she actually believe it. Because, no matter what you were shaving, your legs or your lovehole, this was how you were supposed to finish!

Speaking of which...

Melanie nudged the drain flap with her toe, the tub filling with warm water. As soon as it was deep enough, she slid down the wall, her butt cheeks splashing into the suds, her feet resting on the edge, legs spread wide. Her hand splashed through the water, as she fucked herself to another particularly intense cum. Never, she thought, would she reveal to anybody, not even Jan, where she'd pictured Bonnie's face at that exact moment.

Satisfied, she opened the razor case. Time to get down to business. Beneath the foam, she tugged at a clump of pussy hairs.

"Okay," she announced. "Let's see how this goes."

he party was rocking. All her friends were there, the sun was blazing and one of Jan's presents was a speaker system with booming bass. Someone had plugged their iPod in, and the tunes were kickin'. Guys were horsing around. A killer game of volleyball was going on in the middle of the pool, and, near the steps, Melanie was pretty sure that Cindy Travis wasn't just making out with Chris Myers, but giving him a handjob inside his trunks! Chris had left his shirt on-not that he'd had a say in the matter, teammates from the baseball team tossing him in even before he'd gotten his sneakers off. Cindy had floated right on over, ostensibly to "help him out." She'd gone underwater, her face between his legs as she untied his Nikes. She'd come up after an awfully long time down there, tossing his sneakers onto the deck while her boobs conveniently pressed into his face. They'd been going at it hot and heavy ever since. Melanie was almost afraid to be caught staring, but the two barely had time to breathe, much less look around. Mel found herself wondering...would Cindy actually jack him off in the water? It was a big pool, so it wasn't like a little jizz would be noticed, but...really?

Melanie had only been out of the pool twice in two hours. She'd gotten out for a hot dog when the barbecue started, but otherwise, she'd kept a towel wrapped around her waist.

Carolina needs to take the edge off.

After a long day at school, Carolina looks forward to a little reward. Sometimes it's a bowl of cereal or a hot bath. And sometimes it's a juicy cum.

Do you ever bring boys home to fuck?

"No, I would be too paranoid that my parents would catch me. But it would be great if I could. The times I've had sex have been in a car or at the guy's place. Sometimes my older brother brings his hot friends over to play video games and I get wet imagining the fun we could have. Sometimes they flirt with me but they don't make any moves because of my brother. There've been lots of times where I hung out with his friends and went straight up to my room and used a vibrator to cum hard. I bet they would like to know that I was up in my room masturbating while thinking about their cocks inside of me."

-THE BEST OF

FLATEfucked

n Flat & Fucked 9, two incredibly hot blondes stand out.
Rachel is one of our flattest girls ever, and Elsa is a beauty who

goes to the gyno and gets a speculum and a cock in her pussy. The brunettes rule in #8, with Marissa trying on her mom's too-big bras and tiny Kaylee showing off her tan lines.

L'il teens like Sally can squirt too!

Squirting is not a skill usually associated with teens, especially a little braceface like Sally. But lo and behold, Sally can spray with the best of 'em. Unfortunately we can't show it to you in the magazine, but you can see her very wet hardcore video online at 18eighteen.com. She gets absolutely soaked!

How do guys react to your squirting?

"Before I have sex with guys I have to give them a warning about how much I squirt. They think that I'm exaggerating when I say I soak the bed, but I'm not. My pussy sprays like a broken water hose. They're always surprised to see how much I squirt, and I'm like, 'I warned you!' I kind of like that I can cum like a guy by shooting out juice. I've gotten to the point where I can control it, but sometimes a squirt sneaks up on me without warning."

Artist Haley is the picture of perfection.

Haley is one of those artsy chicks. She strokes with her brushes and splatters paint on the canvas. And since art imitates life, it's no surprise that Haley also likes to stroke cocks and get cum splattered on her face. Her teenage body and jizz-sprayed cheeks are certainly works of art. We see her process in this scene from Glazed Teens 4 as she sucks and fucks her brother's friend.

Don't underestimate artsy girls. They're freakier than most!

His massive cock fills her mouth and throat until her eyes water. The pair get into the 69 position so they can both give while they get. All the oral has them aching to fuck, so Haley hops on top to go for a creamy, squishy ride. Her eyes roll back as she gets pounded in a variety of positions. "I like it when a guy switches it up during sex. The last thing I want is a boring fuck. I'm definitely impressed if he can show me a new position. Even little tweaks on old classics are enough to keep things exciting."

A LITTLE BUSH TRIMMING

Continued from page 28

She'd thought about getting changed, but it was too hot to be out of the pool. Even so, looking at her fellow partygoers, she felt embarrassed.

She hadn't been able to go through with it. Oh, she'd been determined when she'd started, all right, the thought of shaving her pussy all kinds of exciting. But after trimming her fuzzy vee into a slightly narrower fuzzy vee, she'd lost her nerve. She'd painstakingly cleaned up her bikini line, then a little bit more, to accommodate for the limitations of her suit.

She rested her elbows on the deck. feet not touching bottom. She glanced around, but no one was looking her way. Just like at school, she thought morosely, running a hand across the front of her suit, checking to be sure no hair had snuck out from the little triangle she was relying on to keep her grooming habits secret. Well, at least that was something. Unfortunately, the goings-on around her were impossible to ignore. Just like the shiver that went up her spine checking on her nether region. She was excited. Almost too excited, if there was such a thing. And, every time she glanced over at Cindy Travis, jacking away, her clit throbbed more.

I really need to get off, she thought, wondering if she could make her exit without Jan feeling slighted. Not that she thought Jan would notice. Twice now someone had pulled down her top, exposing those huge melons of hers. She was wearing something that looked like it could fit in a bottle cap, it was so small. Melanie was sure the suit would fit her, seeing as it barely had enough to cover Jan's nipples.

Jan's pussy had to be hairless. Her bikini bottom was so slim you could almost see her lips, and left nothing to the imagination. Well, except how it'd feel to go down on her. Because, Melanie guessed, someone was going to tongue-fuck Jan's box, the only question was who.

Jan wasn't the only one who'd put a Bic to good use. Kim Brooks? No way could she have left anything down there but a tiny bit of stubble. Her bikini bottom clung to her slit so tight, her cameltoe was visible all the way across the pool. And, when Kim got excited? Her lips got puffy. Melanie couldn't deny it-it was pretty fucking hot.

Christina, Laurie, Shannon, Drew...she'd given all of her gal pals the once-over after slipping into the pool and, without a doubt, all of them were either bald, or had trimmed them down to the point the pube count was negligible.

And the guys were loving it.

She sighed, thirsty, frustrated and horny as fuck. There were plenty of guys, but all of them were hanging out where the excitement was. Like around Jan's breasts, which just happened to be hanging out again.

Okay, she told herself. Enough. She was going to get her towel, grab a drink, and maybe drag a lounge chair into the shade. As soon as Ian cut her cake? Time to vamoose.

She was bent over the cooler, fishing around for an iced tea when a shadow fell across her. She looked up, expecting to see one of her girlfriends.

"Can you grab me a Coke?"

It was Ryan, someone she knew from a class or two, but not that well. Not that she wouldn't like to know him better. She just didn't have a

chance. Not with someone like him.

"A...a what?" she asked, returning to reality. She'd zoned out for a moment. He grinned.

"Coke? Mountain Dew?" he said. "Whatever you grab."

She knew what she wanted to grab, turning back to the cooler, his trunks out of her field of vision. Damn, but she wished she could come up with an excuse to look back again. Ryan's suit was clinging to a rather obvious hard-on. She guessed he'd been in the pool, where all the girls with bikinis worth pulling down were.

"Here you g-"

She hesitated, holding up the can. Was...was Ryan staring at her ass? No, she thought. But...

He was! He caught her watching him. Even so, he didn't stop.

"Could you grab me another one?" he asked. She nodded, turning away quickly. Damnit! She'd missed the chance to look at his dick!

She dug around, searching for another Mountain Dew. Probably for Lauren or maybe Shannon. They hadn't hooked up with anyone, she thought...yet.

Little Morgan had many redeeming qualities.

We chose Morgan for this retrospective set because she represents the ultimate 18eighteen pin-up girl. There's her blonde hair and sunkissed skin. Her body is tight and toned and we don't think we've seen a perkier pair of tits. Her pussy is an immaculate innie slit. And beyond her physical sexuality, she emotes a coy yet playful aura to the camera. Her smile and gaze invite you in, suggesting that she'd enjoy a romp between the sheets as much as you would. By 2001 Morgan had stopped shooting, but even 16 years later we remember and cherish this British babe.

"Here you-"

This time, she couldn't help herself. "Um, are you staring at my ass?" She almost sounded upset. But couldn't quite manage. Likely because she was too shocked. But not shocked enough, apparently.

"Yeah," he admitted, not looking away. "If I thought I could get away with asking you for another, I would."

Melanie didn't know what to say. Or do. She just stayed there, bent over, holding onto the cooler.

"If you're looking for Mountain Dew, Mel, it's in the other one!" Jan called, giggling as Pete Lowery pulled on her bikini bottom, letting it snap back like a rubber band. When he did, half of Jan's pussy was exposed. Before Mel could reply, a cold trickle ran down her left ass cheek. She jumped, letting the cooler lid slam. Ryan was grinning, having dragged the soda can across her backside.

"Here," he said, holding it out. He'd popped it open. "You...looked a little thirsty."

She took it, suddenly suffering from a severe case of dry-mouth.

"C'mon," he said, gesturing toward the house. Not knowing what else to do, Melanie followed.

Plenty of partygoers were inside. Some playing video games, others hanging out in the kitchen. Ryan led her to a guest room off the main hallway, pushing the door closed behind her. She gulped from the can. Her dry mouth had returned.

"Okay, we're—" she began, totally taken by surprise when Ryan turned to her, pressing his still-full can against her chest. Instantly, her buds turned to stone, jutting out through the fabric of her top.

"Those are nice," he said, ogling her erect buds. Before she could speak, he was pressed against her, her back to the wall, his mouth over hers, hot tongue searching.

The kiss threw her for a loop. It took a second for her to open her mouth, but when she did, she made sure he knew she wasn't holding back. Her kiss was hungry, her horniness level off the charts. She hooked a thumb into the back of his trunks, her palm planted firmly on his ass.

"You look so fucking hot," he said when they broke. He wasn't lying. The lump in his trunks was evidence enough. When he ground it into her, she wanted to scream. And then... then came the moment she had feared. Ryan's hand crept down to her belly. His eager fingers slipped into her bikini bottom.

Finger me! Begged the little voice in her head. Please—don't be grossed out!

Ryan paused, and Melanie felt her heart stop beating.

I knew it! I should have shaved it off! All of it!

But...then he began stroking her fur patch, his fingers lingering in her soft down.

"Mmmmnnnn," he mumbled into

her neck, nibbling his way up to her earlobe. "Pretty sweet bush."

"Y-you mean you like it?" she asked, heart still in suspended-mode. Ryan tongued her ear.

"Of course," he said, as if not understanding her question. "Why wouldn't I?" To punctuate just how much he did, he started teasing her clit.

"Y'know," she said, trying to explain. "A lot of the guys, they like it the other way."

"Fuck that," he said dismissively. "Bald is for strippers. You're supposed to have hair down there. Like this."

Ryan took her free hand and stuck it down his trunks. She could feel his hair down there, and a whole lot more. Unwilling to let the opportunity go to waste, she wrapped her fingers around his shaft, feeling it twitch.

"See?" he asked, returning his attention to her clit. "Natural. That's how it's supposed to be."

"Well, I did trim it. Just a little."

"Doesn't feel like it to me. Here, let me take a look."

The surprises just kept coming and coming. Melanie didn't have time to wonder what he meant. Ryan was on his knees, her bikini bottoms on the floor, his face buried in her folds. He traced the edge of her bikini line with

his tongue.

"Ohhh, Ryan, that, that feels..."

A boy's mouth. Between her legs. First...time...ever...

"Eat me, Ryan," she begged. "Lick my pussy. Lick it 'til I cum!"

The dirty talk spilled out of her mouth like semen in one of her wet dreams. Ryan went down on her hard, suckling her clit and thrusting his fingers into her. She moaned in ecstasy. If someone heard? She didn't care. She was getting the tongue-fucking she'd pictured Jan receiving, and if getting off meant everyone in school would know? Too fucking bad.

"Stick your tongue in me, Ryan. I wanna cum in your mouth."

"And I wanna taste it," he grunted,

switching up, his slick fingers diddling her clit while he stabbed his hot tongue into her cunt. The sensation made her dizzy.

"Make me gush," she hissed. "Do it-I want to cream on your face!"

She grabbed the back of his head, pressing his nose into her slit. His tongue found her weak spot, his clitwork sending her over the top.

Naomi, are guys intimidated by you?

"I've been told that, but I think once they start talking to me they see that I'm easygoing. I'm not stuck-up and I like meeting new people. If anything, I'm intimidated by guys! That's why I prefer they make the first move. I can be a little shy, even with sex. But after my first orgasm I'm ready to get wild."

What kind of sex do you like to have? You look like a rough rider.

"I mostly like it hard and rough. Doggiestyle is my favorite position. It really makes me scream and cum hard, especially if I'm rubbing my clit. I like guys who are aggressive and show me how turned on they are by manhandling me and talking dirty. Slap my ass, grab my neck, tell me some dirty shit in my ear, all while you thrust your cock in and out of my pussy. There's a time and place for slow, romantic fucking, but most of the time I just want to be someone's little fuckdoll. Pound me, make me cum and cover me in jizz and I'm happy."

BRACEFACE BRACEFACE Control Control

Our cutest tinsel-toothed teens!

ome girls might find their braces awkward, but we love them. Metal-mouth teens are supposed to be innocent and frankly, kind of dorky. But these girls don't fit that mold. They rock their tinsel teeth just as hard as they rock cocks. We're here to praise them and recall some of the finest bracefaces that have ever graced the pages of 18eighteen. Are you ready for some hot metal?

ranziska took 18eighteen by storm with her model good looks. Flat, skinny and beautiful, there was no way readers could resist her. Rilee, another stunning babe, knocked us out with her incredible tits. We've never seen a pair on a teen so perfect and round. And yes, they're real! Sofia also has nice, grabbable boobies. But let's not forget her face—she has a winning smile that gratuitously shows off her metal braces. Kristina, Tessa and Liza all have the sweet, innocent flattie look going for them. But just because a girl has small tits and braces doesn't mean she's a virginal prude. These girls are as horny as they come!

ere we see a group of gals who not only have cute faces and braces, but pretty pussies too. You may remember Sindy and her energetic fuckfest in *Jizzed Teens*. She doesn't let her braces get in the way of giving a hot blow job. After choking down a cock she uses her slit to ride like a naughty tart. Karly's innie twat is too good to not fuck. She's more of a shy girl, but opens up in her hardcore scene in *After School Slut Club 5*. Piper, like Sindy, is more extroverted. She has a nice pussy and she knows it. That's why she smiles big while spreading the tight, pink treat between her legs.

A LITTLE BUSH

Continued from page 70

"Now, baby, now! Eat me out, Ryan! Suck my pussy dry!"

Her oozing twat left him looking like a fresh Cinnabon. Girl grease coated his face from ear to ear, drops of it smeared across his lips.

"C'mon," he said, pulling her to the floor. "Get down here!"

He had her straddle him, his hard cock against her thigh. Then her entryway. Then...then...

"Oh God!" she cried, his prick entering her, her matted pubes mingling with his dark short hairs. He fondled her ass, stuffing her slit full of dick meat.

"But you're-" she gasped. "You're not using a-"

"I like it natural, don't you?" he said, fumbling with her bikini strap. The worthless fabric fell away, leaving her nude.

Melanie's pussy was far from sucked dry. Still, she could barely handle Ryan's thick cock. His tip probed deep as she rode his veiny shaft. She was gulping for air, wondering how many times she would cum. A third? Fourth? She'd lost track-every ogasm making her squeal and nearly pass out.

"It's so good, Ry. You are so damn fucking hard!"

The fact that he was banging her without any protection was forgotten. Mel's eyes watered as Ryan drove into her. Was this really happening? She began to wonder if she'd passed out in the heat. Her chest was coated in sweat. Even so, she could smell her love oil on Ryan's face...could taste it on his cummy tongue.

He rolled over, pinning her to the floor, her bare butt on the carpet. It was going to need a good cleaning after the party, she thought, wrapping her legs around his hips and letting him pound her into the padding. God damn, but he was making her crazy. She couldn't believe he hadn't cum already, especially after all the sex stories she'd heard from her friends. Ryan had staying power, though, and she was thanking her lucky stars, because she was right on the verge of another climax.

"Mel," he grunted, the look on his face obvious. "I'm gonna cum."

"Not yet!" she pleaded, crossing her ankles and holding him inside her. She was almost there. A few more strokes, that's all it would take.

"Please... Don't stop. I'm so close!" Ryan smiled down at her, gritting his teeth. He was going to try. That was going to have to be good enough.

No, it wasn't. Fuck it, she decided. If he jizzed inside her? It'd be okay. It would be totally worth it. It would. Plus, she could always get back-up contraception at the drug store.

Her back arched so violently that it lifted him off the floor. Melanie howled, unable to control herself. Her tunnel clenched around his pole, refusing to release him. She buried her face in his neck, her ass slamming into the damp carpet.

To his credit, Ryan did more than try. As soon as her muscles relaxed, he withdrew, kneeling between her thighs, jacking his load all over her. She was a mess, spattered with nut butter, reeking of sweat and twat and fuck. Her hair was a tangled mess. Her snatch looked like it had when she'd finally crawled out of the tub. She glanced toward the door, letting out a sigh of relief.

"Boy, sure glad no one heard!" she said. Ryan laughed.

"What? Didn't you think we were gonna get caught?"

"Uh, we did. Jan and her man popped their heads in right around the time you were telling me to fuck you 'til you passed out. They didn't stick around though. Well, not for very long."

Melanie gaped. Jan? Jan and one of her classmates had seen them? No way! It couldn't be. But, she didn't believe Ryan was lying. And when he saw the question on her face, he just nodded to confirm.

"Don't worry," he told her. "She looked pretty excited about it. Besides, there's no one here who didn't see her naked today!"

Well, she supposed, that was true. But, the idea that people at school were going to be talking about how she'd been getting fucked senseless?

How could things get any better? She couldn't come up with anything. Not until Ryan used his shirt to mop the jizz off her. His suggestion for cleaning themselves up? Another romp in the shower.

Maybe, she thought, things could get better.
